TENTATIVE LECTURE SCHEDULE:

TOPIC

LECTURE EXAMS:

Lecture exams will be essay, short answer, and multiple choice. Exams are not strictly comprehensive, although you will need to know the previous material to answer some questions on the future exam(s). Later topics and concepts build on previously discussed material; thus, the course is much like a story that builds on previous chapters.

LABORATORY: More information about laboratory requirements/grading will be given as a separate handout.

You must turn off CELL PHONES, PAGERS, or ANY OTHER TYPE OF COMMUNICATION DEVICE BEFORE ENTERING LECTURE AND LAB
Anyone accessing these devices DURING AN EXAM will be given a zero for that exam grade. The student may be subject to further discipline, up to and including, permanent dismissal and failure of the class. There will be no exceptions to the rules stated in this paragraph and the two paragraphs immediately preceding it.

Midterm: October 3: is the last day to drop the class with a passing grade (WP) regardless of your point total. You cannot drop the class after midterm unless there are extenuating circumstances that must be acceptable to the Professor, Biology Department Head, Dean of Arts and Sciences, and the Vice President for Academic Affairs.

Final grades are determined as a percentage of total points possible (400):
(90-100%) =A
(80-89%) =B
(70-79%) =C
(60-69%) =D
(below 60%) =F

Extra Credit: I DO NOT give extra credit. Please do not ask!
