III. Digestive System, Metabolism & Urinary System *EXAM 3*---November 3

Chaps. 24-26

IV. Body Fluids, Reproduction & Development **EXAM 4**--- December 3

Chaps. 27-29

		LAB SCHEDULE:	Bring to class:		
Week of:		Topic:	Materials *		
August	20-21	No Laboratory scheduled			
	27-28	Blood**	Worksheet 1 Blood		
Sept	3-4	Heart Physiology**	Worksheet 2 Heart Function		
	10-11	Sheep Heart Anatomy	Review List - Heart		
	17-18	Fetal Pig Blood Vessels	Review List, Dissection protocol Anterior Vessels		
	24-25	Fetal Pig Blood Vessels	Review List, Dissection protocol Posterior Vessels		
Oct	1-2	Fetal Pig Blood Vessels			
	8-9	Lab Practical I			
	15-16	Fetal Pig Digestive System	Review List, Dissection protocol Digestive System		
	22-23	Respiratory physiology** Fetal pig respiratory system	Worksheet 3 Respiration Review List, Dissection protocol Respiratory System		
	29-30	Lab Practical II			
Nov	5-6	Fetal Pig Urinary Reproductive Systems	Review List, Dissection protocol Urinary System Review List, Dissection protocol Reproductive System		
	12-13	Review for comprehensive Laboratory Exam III			
	19-20	Lab Exam III (comprehensive)			

^{*} Worksheets, review lists, dissection protocols can be found on BIOL 2652 website : Dr. Loughry -

http://ww2.valdosta.edu/~jloughry/BIOL2652/BIOL2652.html

^{**} Must attend lab to be able to hand in assignment and earn the points.
