Section B: Wednesday 10.00am 12.50pm BC 2070
Section C: Wednesday 2.00pm 4.50pm BC 2070

Textbook: Human Anatomy, 6TH Edition. - McGraw-Hill.
Required Software: Anatomy & Physiology Revealed 4.0: An Interactive Cadaver Dissection Experience.
McGraw-Hill

Course Description: Study of the structure of the human body from cells to organ systems. Major human organ systems such as the integumentary, skeletal, muscular, nervous, cardiovascular, respiratory, digestive, urinary and reproductive

Spring 2022 Classroom COVID procedures: To protect yourself and others, **properly wearing a face covering is strongly encouraged** in all classrooms and other instructional spaces at all times. The first line of protection against COVID 19 is to be fully vaccinated, including a booster. **Vaccinations are strongly encouraged** and are available free of charge through VSU Health Services and many local pharmacies. If you are experiencing COVID symptoms, use the free testing available at the Student Health Center; you may also obtain a test at many other locations around town. If you test positive, please **report your case using the COVID Self Reporting tool at the top of your MyVSU page**. If you must self-isolate or quarantine, follow the directions provided by Student Health after you have reported your COVID status.

Attendance: Attendance of lectures is expected of all students, but is not required. Attendance of laboratory classes is mandatory. **Any student missing 2 scheduled laboratory classes, without an acceptable documented reason (determined by the instructor) will receive a failing grade for the course.** Student attendance of classes will be recorded.

Conduct: Students are expected to arrive on time and behave with respect in both lectures and laboratories. Students should not talk during lectures, but if you do not understand or do not hear something please ask for clarification. Use of cell phones during lectures and laboratories is not permitted. Cell phones must be turned off during lectures and laboratories. If you

Title IX Statement: Valdosta State University (VSU) is committed to creating a diverse and inclusive work and learning
