

Lab simulations: There will be fourteen labs over the course of the semester. **Your final lab grade will be determined by the twelve highest lab grades.** Instructions will be given on the labster website. If there is a technical issue with the simulations, it is your responsibility to reach out to tech support.

OFFICE HOURS & COMMUNICATION:

Email: Email is the simplest and primary way to contact me outside of class and is the quickest way for me to contact you as well. All email should be sent directly to joshuabrown@valdosta.edu. You are required to check and maintain your Valdosta State University email account regularly. **Do NOT recommend email using the Blazeview system.**

Biology Tutoring: The Academic Support Center (ASC) at Valdosta State University is located on the second floor of the
